April 21, 2017

Dear Parents/Guardians:

Happy Friday!

The 5<sup>th</sup> and 8<sup>th</sup> grade classrooms started the M-STEP test this week. They had good attendance and were focused on doing their best. Great job! Grades 3, 4, 6 and 7 will take the test beginning the week of May 1, 2017. Parents continue to make sure that your child is well rested and ready to demonstrate their proficiency in English Language Arts, Math, Science and Social Studies.

**We are extending an invitation to new families that have students currently in grades 1-8 to enroll during our Open Enrollment period from April 1-31.** Encourage your family members and friends to enroll here at the first STEM accredited school in Genesee County. Spread the word!

**Today we celebrated Earth Day and collectively did a series of indoor and outdoor projects to help preserve the Earth and make our school look even more beautiful!** Students, staff and parents did an awesome job picking up debris, clearing brush, landscaping, and germinating seeds for planting. Special shout out to the Boy Scouts and their Scout Leader, Mr. Richardson for jumpstarting this initiative on Tuesday!

**Spring pictures will take place on Thursday, April 27 for grades K-3 and Friday, April 28 for grades 4-8. All money is due Wednesday, April 26.** Group pictures (limit of 4 students) will be taken Thursday or Friday by appointment. The attached flyer will provide more detailed information.

**Our annual STEM/Enrollment Fair will take place on April 29 from 11am-2pm.** This will be a fun event that allows families to explore the world of science, technology, engineering, and math! Our amazing student body will also showcase their science experiments. Top winners will receive ribbons and robots! We will also have an area available to register new families for the 2017-2018 school year.

The Royal Gala will take place Thursday, May 25 from 6pm to 8pm. Enjoy an evening of elegance, fine dining, dancing and literacy. Tickets will go on sale soon.

Attention all K-2 GSTEMA boys and girls basketball players and coaches. We are establishing a team through the Flint PAL league. Please contact Coach Lyles at (810) 893-9823 for more information.

Sincerely,

Kimberly Coulter

### ***Genesee STEM Academy Mission***

The mission of Genesee STEM Academy is to provide a safe, nurturing environment for students to develop a passion for lifelong learning, a strong academic foundation, and exposure to the key fields of science and technology, engineering, and math.
