Dear Parents/Guardians:

Happy Friday! Today the terrific 3rd graders in Mrs. Smith and Ms. Gilley's class worked collaboratively to build ramps. The young engineers used marbles and a variety of different materials to create inclines that would increase the speed of the marble and to demonstrate their understanding of friction. You are invited to see pictures of their designs on the teachers' classroom pages at www.geneseestem.com. Great job third grade!

The Genesee STEM scholars will continue to take the NWEA MAP test next week. Parents, please encourage excellence. Your child's test results will be shared with you at the October Parent Teacher Conferences.

Parent Teacher Conferences for the first marking period will be held by appointment on Tuesday October 24, Thursday October 26, and Wednesday November 1. Please return the Parent/Teacher Conference Schedule Form that was sent with last week's Friday letter in order to select a date and time to meet with your student's teacher regarding his/her academic and behavior progress.

Membership Day is October 4. Our goal is to have 100% of our students present at school every day and especially on Membership Day because the number of students present will determine the amount of funding that our school receives.

Fall Picture Day will also be on October 4. Students must wear their school uniform. They will be allowed to dress up for Spring Pictures that will occur in April. All students and staff will take pictures on this day.

The letter S in our GSTEMA Code means to "stay safe" and most of our students understand the importance of staying safe and practice safe behaviors daily. A few students have engaged in "play fighting" lately and this is not an example of staying safe. **"Play fighting" will result in a 3 day suspension.**

Our annual Curriculum Night Open House will be held on Tuesday, October 3 from 6:00-7:00 p.m. Come on out and meet your child's teacher and learn more about the academic expectations that your child is expected to master this school year.

Our valet pick-up service is improving! We need everyone picking up their student to use our valet system. If you don't have a number, please stop by the main office. Students are released at 3:45pm. **Please remember to remain in your vehicles. The students will be walked to the vehicle by a GSTEMA staff member once they are shown the GSTEMA number card.** Thank you for adapting and supporting this new system.

Sincerely,

Kimberly Coulter

Genesee STEM Academy Mission

The mission of Genesee STEM Academy is to provide a safe, nurturing environment for students to develop a passion for lifelong learning, a strong academic foundation, and exposure to the key fields of science and technology, engineering, and math.
