Dear Parents/Guardians:

Happy Friday! Great news! We are so proud to announce that our GSTEMA Girl Scouts won year awards at this year's First Lego League Jr. competition! This year's theme was Aqua Adventure. The participants were charged with the task of selecting a water use in their community and building a motorized lego water pump that would transport water in different settings. Team Water Flowers consisted of Ashley Jordan, Anita Johnson, A'Kerra Chaney, Sunny Wilson, and Lia Bethay. They were awarded the Little Einstein Award! The members of Team River Girls were Tanaysia Johnson, Neveah Larose, Leah Mutiso, Serenity Houston, and Amiyah Thomas. They were awarded the Effort and Learning Award! Team Ocean Girls, Mar'Jani Walker, Destiny Hence, Ta'Rhiana Towns, Shamiyah Wilson, Kamija Thomas-Orr and Tibra Osborn. This group won the Amazing Movement Award! Great job to our of Girl Scouts. We are very proud of you!

Yesterday we had a great turnout for Parent Teacher Conferences. Our goal is to have 100% of our GSTEMA parents attend in order to review your child's academic and behavioral progress.

Parents, remember that if your child needs extra help please sign up for our free after school tutoring services and utilize our free online resources. In addition, we have an awesome afterschool program to provide enrichment and fun learning experiences. Please continue to help us ensure that your child is the best of the best!

Turn over for Important Dates To Remember

The days are getting longer. Enjoy!

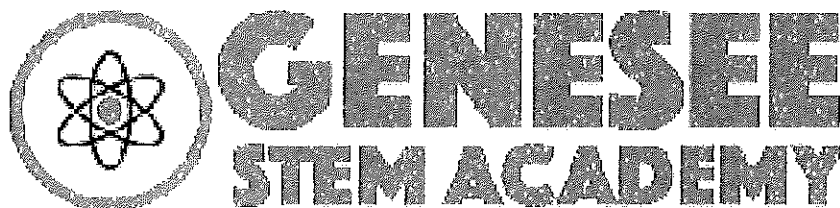

Kimberly Coulter

Genesee STEM Academy Mission

The mission of Genesee STEM Academy is to provide a safe, nurturing environment for students to develop a passion for lifelong learning, a strong academic foundation, and exposure to the key fields of science and technology, engineering, and math.
