May 23, 2019

Happy Friday! We had a wonderful week at Genesee STEM. Twenty GSTEMA family members were blessed with the opportunity to attend an all-expense paid trip to today's Detroit Tigers game courtesy of 7th Judicial Circuit Court Judge Duncan M. Beagle. Participants will also receive a free Detroit Tigers t-shirt. Thank you to Coach Tyler and Mr. Harris for ensuring that this event is a success.

NWEA MAP testing will take place through June 14. All kindergarten through second grade students will take a reading and math test. Grades 3 through 10 will take reading, math and science. It is very important that all of the students hit their spring NWEA goal! Parents we need your support. Please encourage your child to do his/her absolute best. Let's show the world that we are the top STEM school in the state of Michigan. Teamwork!

Kindergarten graduation and 8th grade graduations will be here soon. Each graduate can receive 6 tickets for their family members to attend the graduation ceremony. Tickets will be available in June.

The Royal Gala is tonight from 6:00-8:00 p.m. We are looking forward to a beautiful evening filled with poetry, music, food and fun. Tickets were sold in advance. **Tickets will not be sold at the door.**

The Parent Meeting that was scheduled for May 27 has been changed to May 29 (4:30 p.m. to 5:30 p.m.) All parents are encouraged to attend.

Parents, please be advised that students are to wear the full uniform each day. Jeans are not allowed for kindergarten-8th grade students.

Important Dates

May 24-Brain Break (No School)
May 27-Memorial Day (No School)
June 12-6th Grade Recognition (2:00 p.m.)
June 13-8th Grade Recognition (6:00 p.m.)
June 14-Kindergarten Graduation (11:00 a.m.)
June 16-Father's Day

June 19-Field Day and Last Day of School for Students

Have a great weekend!

Kimberly Coulter

Genesee STEM Academy Mission

The mission of Genesee STEM Academy is to provide a safe, nurturing environment for students to develop a passion for lifelong learning, a strong academic foundation, and exposure to the key fields of science and technology, engineering, and math.
