June 19, 2019

Happy Last Day of School! Today marks the final day of school for the 2018-2019 school year. We have had a fantastic year filled with many students winning essay contests, meeting and exceeding their NWEA/MAP goals, students demonstrating more responsible choices and our awesome GSTEMA staff and parents for demonstrating their commitment to helping us to fulfill our school mission of becoming the premiere STEM school in Michigan!

Today we had a fun-filled Field Day complete with volleyball, dancing, sack races, double-dutch, water balloons and much more. Special thank you to the entire Field Day committee and to Coach Tyler for donating the ice cream to put the finishing touch on this wonderful event.

Final report cards will be mailed home the last week in June. Please review this very important document and encourage your child to keep learning over the summer break. At Genesee STEM Academy, we ensure that learning never stops. The Study Island Blue Ribbon Contest will start back over the summer on Monday, June 24, 2019 and conclude on Monday, August 19, 2019. Prizes and Robot-bucks will be awarded when students return in August.

The 2019-2020 school year calendar is on the back of this Friday letter. Students will return to school on Monday, August 19, 2019. There are still a few students who have not returned re-enrollment forms. Our office staff will be at the school Monday thru Friday during the summer for new enrollment and re-enrollment. The office will be open during the summer from 8:00 a.m. to 4:00 p.m. and closed for lunch from 12:00 noon to 1:00 p.m. The office will be closed the first week of July 1-5.

Have a fantastic summer!

Kimberly Coulter

Genesee STEM Academy Mission

The mission of Genesee STEM Academy is to provide a safe, nurturing environment for students to develop a passion for lifelong learning, a strong academic foundation, and exposure to the key fields of science and technology, engineering, and math.
